Christian Doctrine

Whenever the word doctrine is mentioned, people often tune out because doctrine is considered a boring subject. But nothing could be further from the truth. Doctrine is an exciting topic that provides the foundation for all we do and believe in Christianity. Without a proper understanding of the great doctrinal truths of the Bible we will quickly fall into error. This class will explore the doctrines of baptism, inspiration, salvation, hell, the Holy Spirit and the deity of Christ.

Evangelism

Do you struggle with fear and uncertainty when it comes to sharing your faith? This course is designed to help you learn how to share your faith with people in a natural and casual manner as you live your daily life. Jesus wants sharing him to be a joy not a burden, but most believers have not been shown how simple sharing what Christ has done in your life with others can be. If you want to learn how to practically respond to the promptings of the Holy Spirit to share the good news with people, this course will help you.

Christian Stewardship

The stewardship of finances is one of the most important subjects in the Christian life. Do you know what the Bible says about giving, investing, sowing, and managing the finances God has placed in your hands? God promises to provide for us, but that provision is dependent on becoming wise stewards. This class will teach you what the Bible has to say about the wise and prudent management of finances to ensure the blessing of God.
