

A VERY SIMPLE GUIDE ON HOW TO USE ZOOM VIDEO CONFERENCE

GET READY!

You can use a computer, a laptop or a mobile phone for a Zoom meeting, as long as your device has a camera and a mic (many are built-in so don't worry).

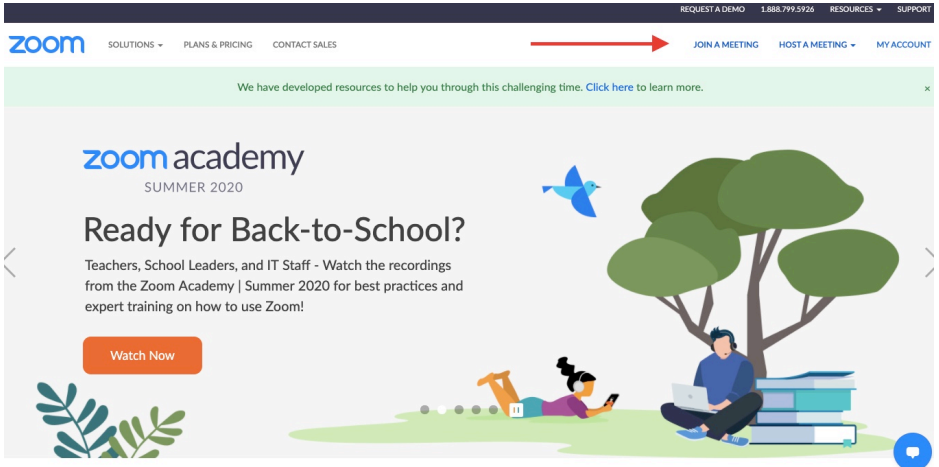

For computers and laptops, download and install the software.
Download here: zoom.us/support/download

For mobile phones, download the Zoom app in your app store.

JOIN A MEETING

... is very easy. You don't even need to sign in (but you do need to download and install the software/app).

YOU ARE READY TO ZOOM

There are a few options during a Zoom call you can use to enhance your call experience.

- Muting yourself
- Turning on and off your camera
- Viewing other participants
- Chatting with your class via text
- Applying emojis as a response
- Ending your sign in to the call
